

*'Remember to offer to show hospitality. There are some who by doing so have entertained angels unaware.'*  
*Hebrews 13:2*

The Welcome Team greets people who visit our Drop-in Centre.  
Thank you for taking on this important role, which helps us to ensure that every visitor to the centre feels welcome and valued in the way that God values all of us.  
We hope that you enjoy this role and that it will help you grow and flourish.

### **We are the Body of Christ!**

All who help as volunteers in St James are contributing to the ministry of this Church, using each of our gifts to the best of our ability in the service of God and neighbour.

All we do here is our collective responsibility, so support and guidance will be offered by the Welcome Coordinator, and we ask you to let this person know if there are any problems so we can resolve them together.

**St James Church**  
**Serving God and Our Community**

If you are unable to speak to Sharon, please get in touch with David Someone2
